

THE BABYSITTER CHECK LIST AND INSTRUCTION SHEET

The phone number you are calling from:

In an emergency, call 911

Your address is:

The closest intersection or cross street:

Identify yourself by name, tell the operator that you are babysitting. Calmly describe the problem. The operator will ask you further questions to help determine the problem. Calmly answer these questions. The operator has notified a dispatcher of the situation and help is already on the way, this happens in the background without your knowledge. The operator may give you instructions to help you with the situation, stay on the phone until instructed to do otherwise. The people at 911 are trained professionals and will do everything possible to help you.
