

# Community Paramedicine & Day Star First Nation Working Together

International Roundtable for Community Paramedicine

June 2024

*Healthy People, Healthy Saskatchewan*

The Saskatchewan Health Authority works in the spirit of truth and reconciliation, acknowledging Saskatchewan as the traditional territory of First Nations and Métis People.

# SHA Treaty Land Acknowledgement

## Honouring Relationships with Indigenous People

We acknowledge that we hail from the land of Treaties 2, 4, 5, 6, 8 and 10 (Cree, Dené, Assiniboine/Nakota and Sauleaux) territories and the Homeland of the Dakota, Lakota and Métis.

Recognizing this history is important to our future and our efforts to close the gap in health outcomes between Indigenous and non-Indigenous peoples by knowing what the land and the traditional people of the land offer us.

## Treaty Territories and Saskatchewan Health Authority Areas

Depictions of Treaty boundaries are subject to variation. These boundaries are usually not surveyed and are estimated based on written descriptions.

This map displays the Pre-1975 Treaties (Historic Treaties) in colour, as provided by Crown-Indigenous Relations and Northern Affairs Canada.
